Re: Legislative Proposal for Domestic Violence Funding for the 2007 Fiscal
Year

Dear Mr. Boller:

I write on behalf of the Women & Minorities in the Profession Committee to request the State Bar of Georgia's endorsement of legislation that would provide an appropriation for domestic violence legal services to the poor. As you may recall, last year the Women & Minorities in the Profession Committee sought the endorsement of the State Bar of Georgia for this legislation, which provided for an appropriation to non-profit organizations that provide civil legal services to low-income Georgians. It is our Committee's understanding that for the State Bar of Georgia to endorse this legislation for the upcoming fiscal year, the proposal must be renewed before the Advisory Committee on Legislation. As a result, our Committee wishes to propose an appropriation of \$2.2 million for the 2007 fiscal year.

In 1998, the General Assembly appropriated \$2 million as part of the Georgia Supreme Court Chief Justice's budget. The funds were appropriated for use in providing domestic violence legal services to the poor. Before that time, the State of Georgia had not appropriated any funds to support civil legal services to indigent Georgians. Nevertheless, in 1998, the General Assembly, recognizing the increasing problem of domestic violence in our state, realized the importance of appropriation for domestic violence legal services at this time. For the 2006 fiscal year, the General Assembly renewed its commitment to stopping domestic violence and provided \$2,095,081 to fund this budget item.

The Women & Minorities in the Profession Committee is aware of no opposition to this proposal for the appropriation of \$2.2 million for the 2007 fiscal year. It is our Committee's understanding that we do not need to submit the specific language for the legislation at this time because this is a budget item. Furthermore, this proposal satisfies the *Keller* criteria because it is within the scope and purposes of the State Bar of Georgia to advance the administration of justice. It also is consistent with past actions by the Board of Governors in support of access to legal services by the poor. If you have any questions regarding this matter, please contact me at 404.853.8497. Thank you for your consideration of our request.

Very truly yours,
